There is a high turnover of grassroots leadership in trade unions and community based membership organisations in a context where resources for education has diminished. The FSSC certificate programme consists of courses which build the capacity of grassroots leaders in trade unions and membership based organisations.

The courses, designed by IFWEA affiliates who have expertise in the various courses, are user-friendly, participatory, interactive and practical. The courses provide participants with theoretical, analytical and technical foundation skills to build organisations and offers them the opportunity to learn from and contribute to a global knowledge community.

Additional courses available:

- **BASIC SHOPSTEWARD'S COURSE**
- **VIOLENCE AND HARASSMENT IN THE WORKPLACE**

If you would like to participate in any of these courses during the course of the year, or facilitate them in your organisations, please contact the IFWEA Secretariat by emailing Renaldi Prinsloo - [renaldi@lrs.org.za](mailto:renaldi@lrs.org.za)
