   The name of the Company is:

   **INTERNATIONAL FEDERATION OF WORKERS’ EDUCATION ASSOCIATION (2009) NPC**

2. **NON-PROFIT COMPANY**

   2.1 The Company was originally incorporated as an association not for gain in terms of section 21 of the now-repealed Companies Act of 1973.

   2.2 By virtue of items 2 and 4 of Schedule 5 to the Companies Act of 2008 (“the 2008 Act”), the Company is now deemed to be a non-profit company as contemplated in section 1 of the Companies Act, 2008 (“the 2008 Act”).

   2.3 The Company is governed by:

      2.3.1 The unalterable provisions of the 2008 Act which apply to non-profit companies.

      2.3.2 The provisions of this Memorandum of Incorporation.

3. **COMPANY TO HAVE MEMBERS**

   As is permitted by item 4(1) of Schedule 1 to the 2008 Act, and as appears in more detail below, the Company has Members.
4. **OBJECT OF THE COMPANY**

4.1 The Object of the Company is to promote and advance the education of the public with respect to the democratic labour movement; and to promote the carrying out of free and voluntary educational work, according to the principles of solidarity and cooperation, justice and equality, and democracy and freedom.

4.2 In implementing its Object, and in implementing its mandate on behalf of its Members, the Company will:

4.2.1 Create conditions for the strengthening of co-operation between Members.

4.2.2 Promote the establishment and development of Member organisations and institutions; in particular in those countries where such educational institutions do not exist.

4.2.3 Represent the interests of its Member organisations and institutions, in relation to international and supranational bodies.

4.2.4 Ensure that it operates independently of governments, state institutions, political parties, and employer organisations.

4.2.5 Recognise the full autonomy of Member organisations and institutions, and advance the principle of regional sovereignty.

4.2.6 Promote collaborative relationships between its Member organisations and institutions, and between regional bodies.
4.2.7 Observe and promote – and seek to ensure that all Member organisations and institutions likewise observe and promote - good governance, transparency, integrity, and the highest standards of ethics.

4.2.8 Seek to facilitate the resolution of differences, or disputes between Member organisations and institutions, or within such bodies, and promote an institutional culture which involves acting at all times:

4.2.8.1 In absolute good faith;

4.2.8.2 In the best interests of the interested and affected parties; and

4.2.8.3 With integrity, and in support of best practice and good governance.

4.3 Restriction on Distribution

The Company must not, directly or indirectly, pay any portion of its income or transfer any of its assets, regardless of how the income or asset was derived, to any person who is or was a Director or officer or incorporator of the Company, or to any person related to any such Director, officer or incorporator, or to any person who appointed any such Director or officer, except:

4.3.1 As reasonable remuneration for goods delivered or services rendered to, or at the direction of, the Company;

4.3.2 As reasonable payment of, or reimbursement for, expenses incurred to advance the Object of the Company;
4.3.3 As payment of an amount due and payable by the Company in terms of a *bona fide* agreement between the Company and that person or another person;

4.3.4 As a payment in respect of any rights of that person, to the extent that such rights are administered by the Company in order to advance the Object of the Company; or

4.3.5 In respect of any legal obligation binding on the Company.

5. **POWERS OF THE COMPANY**

5.1 The Company has all of the legal powers and capacity of an individual, except to the extent that:

5.1.1 A juristic person is incapable of exercising any such power, or having any such capacity; or

5.1.2 Any such power or capacity is restricted, limited or qualified by:

5.1.2.1 Any unalterable provision of the 2008 Act which applies to non-profit companies; or

5.1.2.2 Any express provision of this Memorandum of Incorporation.

5.2 The Company is not subject to:

5.2.1 Any restrictive conditions contemplated in section 15(2)(b) of the 2008 Act.
5.2.2 Any provision which prohibits the amendment of any article of this Memorandum of Incorporation, as contemplated in section 15(2)(c) of the 2008 Act.

5.3 The Executive Committee may make, amend or repeal any necessary or incidental rules relating to the governance of the Company in respect of matters which are not addressed in the 2008 Act or this Memorandum of Incorporation, on condition that any such rules or amended rules must be:

5.3.1 Notified to the Members of the Company in the manner stipulated in this Memorandum of Incorporation; and

5.3.2 Filed with the Companies and Intellectual Property Commission.

6. COMPLIANCE PROVISIONS

If and for as long as the Company is approved by the Commissioner for the South African Revenue Service ("the Commissioner") as a public benefit organisation ("PBO"):

6.1 The Company must comply with all the provisions of the Income Tax Act which apply to PBOs from time to time, whether set out in section 30 or elsewhere in that Act.

6.1.1 Those provisions will be referred to in this Memorandum of Incorporation as the "Compliance Provisions".

6.1.2 The Compliance Provisions which apply as at the date of adoption of this Memorandum of Incorporation are set out in Schedule Two.
6.1.3 If the Income Tax Act is amended so as to change the Compliance Provisions, Schedule Two must be amended accordingly.

6.2 All the powers of the Company, and the powers and discretions of the Executive Committee of the Company will be limited to the extent set out in the Compliance Provisions.

6.3 The Compliance Provisions will override any contradictory or conflicting provision of this Memorandum of Incorporation.

7. DISTRIBUTION OF NET ASSETS ON DISSOLUTION

Despite any provision in any law or agreement to the contrary, if the Company is wound up or dissolved:

7.1 No past or present Director of the Company, or person who appointed a Director of the Company, is entitled to any part of the net value of the Company after its obligations and liabilities have been satisfied; and

7.2 The entire net value of the Company must be distributed to one or more non-profit companies, voluntary associations or non-profit trusts:

7.2.1 Having objects similar to the Object of the Company; and

7.2.2 Which are themselves approved as PBOs (if the Company, at the time of its dissolution or winding-up, is also approved as a PBO); and

7.2.3 As determined:
7.2.3.1 By the Executive Committee of the Company, at or immediately before the time of its winding-up or dissolution; or

7.2.3.2 By the High Court, if the Executive Committee fails to make such a determination.

8. **FINANCIAL YEAR OF THE COMPANY**

Unless and until the Executive Committee decides otherwise, the financial year of the Company ends on 31 December.

9. **OPTIONAL PROVISIONS OF CHAPTER 3 OF THE 2008 ACT**

The Company will not be required to comply with the provisions of Chapter 3 of the 2008 Act (which relate to transparency, accountability and integrity) except to the extent that:

9.1 This Memorandum of Incorporation requires otherwise; or

9.2 The Company is required, in terms of article 31, to have its annual financial statements audited by a registered auditor.

10. **MEMBERSHIP CATEGORIES**

10.1 Membership of the Company is restricted to organisations and institutions which constitute part of the democratic labour movement; but Membership may also include, within the category of Individual Members, individual people nominated to represent their respective constituent organisations and regions.

10.2 There are accordingly three (3) categories of membership:
• Full Membership;

• Associate Membership; and

• Individual Membership.

10.2.1 **Full Members**

Full Members are those organisations and institutions which are admitted to Full Membership by the Executive Committee, acting with the concurrence of the General Conference.

10.2.2 **Associate Members**

Associate Members are those organisations and institutions which are from time to time admitted to Associate Membership by the Executive Committee, in its sole and absolute discretion.

10.2.3 **Individual Membership**

Individual Members are those individual people who are from time to time admitted to Individual Membership by the Executive Committee, acting with the concurrence of the General Conference.

10.3 The General Conference will be entitled from time to time to review and determine and amend the qualifications or admission requirements for eligibility for Membership in each category; which may include the requirement of a written undertaking to submit to a code of conduct, and to the terms of this Memorandum of Incorporation, including the provisions contained in article 14 concerning the financial obligations of Members.
10.4 Further categories of Membership may be established at any time by the General Conference. Any such further category of Membership will confer on its constituent Members those rights and impose those duties which are stipulated by the General Conference from time to time.

10.5 For the avoidance of doubt, it is recorded that the Company will be entitled to decline to admit a particular applicant for Membership, notwithstanding the applicant's ability and willingness to fulfil the usual qualifications and requirements defining eligibility for the Membership category concerned. The Company will have a complete and unfettered discretion with respect to the admission of Members, and will be under no obligation to furnish reasons for, or to otherwise motivate, its decisions concerning admission to or refusal of Membership.

11. MINIMUM MEMBERSHIP

11.1 The 2008 Act does not stipulate that the Company is required to have any minimum number of Full Members.

11.2 The Company has determined, nonetheless, that it must at all times have no less than seven (7) Full Members.

11.3 If the number of Full Members falls below that stipulated minimum at any time, for any reason, the Executive Committee must, within sixty (60) days after the vacancies occur, and by way of a special resolution, appoint sufficient organisations of its choice as Full Members, to fill the relevant vacancies.
12. SUSPENSION AND CESSATION OF MEMBERSHIP

12.1 Despite anything to the contrary contained in this Memorandum of Incorporation, Membership of the Company may be suspended or terminated at any time by way of a resolution adopted by at least seventy-five (75) percent of the Executive Committee, in any of the following circumstances:

12.1.1 If a Member ceases to conduct the activities which made the Member eligible to become a Member, or fails or refuses, on written request, to provide proof to the satisfaction of the Executive Committee that the Member is continuing to comply with the other eligibility criteria applicable to its Membership.

12.1.2 If a Member is considered guilty of conduct which in the opinion of the Executive Committee might reflect adversely on the Company.

12.1.3 If a Member fails or refuses to make payment of the membership levy or contribution for which the Member is liable, within the time and in the manner contemplated by article 14.

12.1.4 If the Executive Committee considers, in its sole discretion, that suspension or termination of Membership is, for any other reason, in the best interests of the Company and its Members.

12.2 Before adopting any resolution to suspend or terminate Membership, the Executive Committee may at its discretion afford the Member concerned an opportunity to make representations – either verbally or in writing, as the Executive Committee deems appropriate - concerning the proposed suspension or termination.
12.3 The Executive Committee will be under no obligation, express or implied, to furnish reasons for, or to motivate its decisions concerning the granting, suspension or termination of Membership.

12.4 Membership of the Company will be terminated also in the following circumstances:

12.4.1 On the closure, dissolution, deregistration or liquidation of any Member which is a company or other juristic person.

12.4.2 On the death of an Individual Member.

12.4.3 On receipt by the Company of the written resignation of a Member, which resignation will take effect at the end of the month following the month in which the written notice of resignation is received by the Company.

12.5 Unless the matters in issue have been otherwise finally disposed of in accordance with the procedures prescribed by the Company’s code of conduct, the Executive Committee may in its sole and absolute discretion permit a Member whose Membership has been suspended or terminated, to appeal the decision; in which event the appeal will be considered and finally determined by the General Conference. The procedure to be adopted in any appeal will be at the discretion of the General Conference, whose findings and decisions – both substantively and procedurally - will be final and binding.

12.6 It is stipulated, for the avoidance of doubt, that nothing contained or implied in this Memorandum of Incorporation will preclude the Executive Committee, in its discretion, from extending any period of grace to allow for the mitigation or rectification of the matters constituting the grounds for any suspension or termination of Membership, for any reasons, and upon any conditions, which the Executive Committee, in its sole discretion, deems appropriate.
13. **RIGHTS OF MEMBERSHIP**

13.1 All Members are entitled, in addition to any further rights conferred by this Memorandum of Incorporation or the 2008 Act, to the following rights:

13.1.1 The right to inspect, and to receive copies of, the annual financial statements of the Company, and its annual report.

13.1.2 The right to receive notice of and to attend all General Meetings of the Company.

13.2 In addition to the rights described in article 13.1 above, Full Members (and only Full Members) will be entitled as of right to speak and vote at General Meetings. Other Members may speak and vote at General Meetings only if invited to do so by a majority of the Full Members present at those Meetings.

14. **LEVIES AND CONTRIBUTIONS**

14.1 The Executive Committee will be entitled, in its sole and absolute discretion, to determine that the Members, or any particular category of Members, must pay to the Company an annual or other periodic levy or contribution, to meet or make provision for the actual, anticipated or budgeted costs of the Company.

14.2 In determining those levies or contributions, the Executive Committee will be entitled to differentiate between different categories of Members, and/or between Members in the same category, either on the basis of size, or available funding, or any other basis the Executive Committee may decide.
14.3 The Executive Committee will entitled to impose penalty interest [not exceeding two (2) percent above the applicable prime rate] on the amount of any overdue levy or contribution, throughout the period of default.

14.4 If any Member fails or refuses to pay any part of any levy or contribution determined by the Executive Committee, and if the Member remains in default for a period of sixty (60) days after receiving written notice to make the required payment, the Executive Committee will be entitled to suspend or terminate the Membership of that defaulting Member; on condition that the Executive Committee will also be entitled in its discretion to condone or compromise any default, and to reinstate the Membership of any defaulting Member.

14.5 The termination or suspension of Membership, whatever the reason for termination or suspension, will not release a Member from liability for payment of any levies or contributions which were owed at or prior to the date of termination or suspension; on condition that, if a Member delivers notice of its resignation as a Member to the Office not more than sixty (60) days after a levy or contribution becomes due, the Member will not be liable for the payment of that levy or contribution.

15. **NON-TRANSFERABILITY OF MEMBERSHIP**

Membership may not be assigned or transferred, except with the prior written consent of the Executive Committee.
16. **REGISTER OF MEMBERS**

16.1 The Company must establish and maintain a register of Members, which register must contain at least the following information concerning every Member:

16.1.1 The full name of the Member.

16.1.2 The physical, postal and email addresses of the Member, and the Member’s telephone number or cellphone number.

16.1.3 The date on which the Member was admitted.

16.1.4 If applicable, the date on which the Membership of the Member terminated or was suspended.

16.2 The register of Members must be kept in electronic form.

16.3 The register of Members must be accessible to any Member, or any Director or officer of the Company, during ordinary business hours of the Company.

17. **MEMBERS’ RIGHT TO INFORMATION**

Every Member has a right to inspect and copy, without any charge for any inspection, or on the payment of no more than the prescribed maximum charge for any copy, the information contained in the following records of the Company:

17.1 The Company’s Memorandum of Incorporation, and any amendments to it.

17.2 The records of the Directors of the Company.
17.3 Any report presented at any meeting of the Members.

17.4 The annual financial statements of the Company.

17.5 The notices and minutes of all meetings of Members.

17.6 All communications sent during the preceding seven (7) years by the Company to the Members.

17.7 The Members’ register.

18. OBLIGATIONS OF MEMBERS ON TERMINATION

Despite anything to the contrary contained or implied in this Memorandum of Incorporation (but subject to the provisions of article 14.5), the termination of a person’s Membership will in no way release that Member from any obligation undertaken by that Member prior to that termination as a result of either:

18.1 Any provision of this Memorandum of Incorporation; or

18.2 Any further or ancillary guarantee, commitment or obligation which that Member may have undertaken, either as a condition attaching to its status as a Member, or for any other reason.

19. AMENDMENT OF THIS MEMORANDUM OF INCORPORATION

This Memorandum of Incorporation may be amended by a special resolution of Members, namely:

19.1 A resolution adopted at a General Meeting with the support of at least seventy-five (75) percent of the voting rights exercised on the resolution at that Meeting; or
19.2 A Signed Member Resolution assented to (in the manner contemplated in article 20.4) by at least seventy-five (75) percent of the Full Members.

20. MEETINGS AND DECISIONS OF MEMBERS

20.1 The Members may take decisions:

20.1.1 At General Meetings of Members.

20.1.2 By way of Signed Member Resolutions.

20.2 General Meetings

20.2.1 There are two (2) types of General Meeting, namely:

20.2.1.1 A special General Meeting, styled “the General Conference”, which must be held at intervals of no more than four (4) years for the purposes described in article 23.

20.2.1.2 Any other General Meeting of the Members of the Company (an “Extra-ordinary General Meeting”).

20.2.2 All General Meetings are convened by the general secretary of the Company.

20.2.3 An Extra-ordinary General Meeting must be convened:

20.2.3.1 At the written request of:

- The Executive Committee; or
• Any three (3) Full Members [for as long as the Company has seven (7) Full Members],
or any four (4) Full Members [for as long as the Company has more than seven (7) Full Members].

20.2.3.2 If any matter arises for decision, and that matter is required, by the 2008 Act or this Memorandum of Incorporation, to be decided by the Members; unless that matter will be or has already been decided by way of a Signed Member Resolution.

20.2.4 At any time before the start of an Extra-ordinary General Meeting the people requesting that Meeting may withdraw the request; in which event the Meeting must be cancelled.

20.2.5 Each General Meeting will be held at a location determined by the Executive Committee.

20.2.6 If the general secretary of the Company fails to act on a written request to convene an Extra-ordinary General Meeting within six (6) months after receiving that request, the people requesting that Meeting may themselves convene it.

20.2.7 The Company must deliver a notice of each Extra-ordinary General Meeting to all the Members at least one (1) month before the date of the Meeting. Notice of a General Conference must be delivered within the period stipulated in article 23.

20.2.8 An Extra-ordinary General Meeting may be called with less notice than required by article 20.2.7, but that Meeting may proceed only if every Full Member:
20.2.8.1 Is present at the Meeting; and

20.2.8.2 Votes to waive the required minimum notice of the Meeting.

A General Conference may not be called on shorter notice than that required by article 23.

20.2.9 Subject to any additional information or documents required in terms of article 23 for the notice of a General Conference, a notice of a General Meeting must be in writing and must include:

20.2.9.1 The date, time and place of the Meeting.

20.2.9.2 The purpose of the Meeting.

20.2.9.3 A copy of any proposed resolution of which the Company has received notice, and which will be considered at the Meeting, and the percentage of voting rights that will be required for that resolution to be adopted.

20.2.9.4 A reasonably prominent statement that:

- A Member is entitled to appoint a proxy to attend and (if applicable), participate in and vote at the Meeting in place of the Member.
- A proxy need not also be a Member.
- Section 63(1) of the 2008 Act requires that participants at the Meeting provide satisfactory identification.
20.2.10 If there was a material defect in the giving of the notice of a General Meeting, the Meeting may proceed only if every Full Member is present at the Meeting and votes to approve the ratification of the defective notice.

20.2.11 An immaterial defect in the form or manner of giving notice of a General Meeting, or an accidental or inadvertent failure in the delivery of the notice to any particular Member, does not invalidate any action taken at the Meeting.

20.2.12 Before any person may attend or participate in a General Meeting:

- That person must present reasonably satisfactory identification; and

- The chairperson of the Meeting must be reasonably satisfied that the right of that person to attend and (if applicable) to participate and vote, either as a Member or as a proxy for or representative of a Member, has been reasonably verified.

20.2.13 At a General Meeting a resolution put to the vote must be decided on a show of hands, unless a poll is demanded before or on the declaration of the result of the show of hands.

20.2.13.1 If no poll is demanded, a declaration by the chairperson that the resolution has been carried on a show of hands, and an entry to that effect in the minutes of the Meeting, will be conclusive evidence of that fact.
20.2.13.2 A poll may be demanded at an Extra-ordinary General Meeting by:

- The chairperson of the General Meeting; or
- Any three (3) Full Members present at the Meeting.

20.2.13.3 A poll may be demanded at a General Conference by at least ten (10) percent of the Full Members present at the General Conference; on condition that the Full Members demanding a poll must be from at least two (2) different countries.

20.2.13.4 If a poll is demanded at a General Meeting, it must be taken in such manner as the chairperson decides.

20.2.13.5 The demand for a poll at a General Meeting may be withdrawn.

20.2.13.6 A poll demanded on the election of a person to chair a General Meeting, or on a question of adjournment, must be taken immediately.

20.2.13.7 A poll demanded on any other question will be taken at the time decided by the chairperson of the Meeting.

20.2.13.8 The demand for a poll will not prevent the continuation of the Meeting for any other business apart from the question on which the poll has been demanded.
20.2.14 If the chairperson of the Executive Committee is available, he/she must chair a General Meeting. If the chairperson of the Executive Committee is not available within twenty (20) minutes after the time set for the start of a General Meeting, the Full Members present must elect one of the vice-presidents to chair the meeting.

20.2.15 The quorum for an Extra-ordinary General Meeting is five (5) Full Members. Unless and until otherwise decided by any General Conference, the quorum for a General Conference is twenty five percent (25%) of the Full Members.

20.2.15.1 If a quorum is not present within one (1) hour after the time appointed for a General Meeting to begin, the Meeting must (subject to article 20.2.15.2) be postponed for seven (7) days to the same location, and for the same starting time.

20.2.15.2 The person who was due to chair a General Meeting at which a quorum is not present, may extend the one (1) hour limit referred to above for a reasonable period on the grounds that:

- Exceptional circumstances affecting weather, transportation or electronic communication have generally impeded or are generally impeding the ability of Full Members to be present at the Meeting; or

- One or more particular Full Members, having been delayed, have communicated an intention to attend the Meeting, and those Full Members, together with the
others already in attendance, would satisfy the requirements for a quorum.

20.2.15.3 If a General Meeting is postponed, the Company need not give notice of the postponement.

20.2.15.4 At a postponed General Meeting, the Full Members present will constitute a quorum, even if only one Full Member is present.

20.2.15.5 A Member will be deemed to be present at a General Meeting if that Member, or an authorised representative of that Member (where the Member is a juristic person or other body), or that Member’s proxy:

- Is present in person; or

- Participates in the Meeting by electronic communication.

20.2.16 A General Meeting may be adjourned from time to time without further notice, to a date, time and location decided at the Meeting, if the adjournment is supported by the people entitled to exercise, in aggregate, a majority of the voting rights held by all the people present at the Meeting; on condition that the date of the adjourned Meeting must not be more than forty-five (45) business days after the date on which the adjournment occurred.

20.2.17 Whether on a poll or a show of hands, each Full Member at a General Meeting will have one (1) vote.

20.2.17.1 Unless a majority of the Full Members present invite them to do so, Individual and Associate
Members will not be entitled to vote.

20.2.17.2 In the event of an equality of votes, the chairperson **WILL** have a second or casting vote.

20.2.18 The Company must ensure that:

20.2.18.1 Minutes are kept of all General Meetings.

20.2.18.2 The minutes record all resolutions adopted by the Members.

20.2.18.3 A copy is kept, attached to the minutes, of every document which was made available by the Company to the Members, in relation to each such resolution.

20.3 **Electronic Attendance at General Meetings**

20.3.1 Any Member (or any Member’s representative or proxy) will be entitled to attend and (if applicable) participate in General Meetings by electronic communication, if an electronic communication facility is available to the Company.

20.3.2 Any electronic communication facility employed for electronic participation in a General Meeting must enable all people who are participating in that Meeting electronically:

- To communicate concurrently with each other and with all other participants without an intermediary; and

- To participate reasonably effectively in the
20.3.3 The notice of a General Meeting must provide all information necessary to enable Members or their proxies or representatives to access any electronic communication facility which will be used for that Meeting.

20.3.4 Access to an electronic communication facility used for a General Meeting is at the expense of the Member who uses it.

20.3.5 In order for a General Meeting to be held, using an electronic communication facility, that electronic communication must be reasonably accessible by all Members (or their proxies or representatives) who wish to attend or participate electronically.

20.4 Signed Member Resolutions

20.4.1 A resolution that could be voted on at a General Meeting may instead be:

20.4.1.1 Submitted for consideration to the Full Members; and

20.4.1.2 Voted on in writing by the Full Members within twenty (20) business days after the resolution was submitted to them.

20.4.2 A resolution contemplated in article 20.4.1 will be referred to in this Memorandum of Incorporation as a “Signed Member Resolution”.

20.4.3 A Signed Member Resolution may be submitted to Full Members for their consideration by electronic communication or in printed form (by hand delivery or by
A Full Member may vote for a Signed Member Resolution by:

20.4.4.1 Signing the printed resolution in hand, and delivering that signed document to the Company (by electronic communication, by hand or by post) within the ten (10) -day period referred to above.

20.4.4.2 Affixing the Full Member’s electronic signature to the resolution, and submitting that signed resolution to the Company by electronic communication within the ten (10) -day period referred to above.

20.4.4.3 Notifying the Company in writing, by post, by hand delivery or by electronic communication, that the Full Member supports the resolution, within the ten (10) -day period referred to above.

20.4.5 A Signed Member Resolution which is an ordinary resolution of the Members, will be adopted if it is signed or assented to by at least fifty-one (51) percent of the Full Members.

20.4.6 A Signed Member Resolution which is a special resolution of the Members, will be adopted if it is signed or assented to by at least seventy-five (75) percent of the Full Members.

20.4.7 If adopted, a Signed Member Resolution has the same effect as if it had been approved by voting at a General Meeting.

For as long as the Company is approved as a PBO, the Company must comply with the following requirements, conditions and restrictions, which will override any inconsistent or contradictory provision of this Memorandum of Incorporation:

1.1 The sole or principal object of the Company must be and remain to carry on one or more Public Benefit Activities, on condition that:

1.1.1 All such activities must be carried on in a non-profit manner and with an altruistic or philanthropic intent.

1.1.2 No such activity may be intended to directly or indirectly promote the economic self-interest of any fiduciary or employee of the Company, otherwise than by way of reasonable remuneration payable to that fiduciary or employee.

1.1.3 Each such activity carried on by the Company must be for the benefit of, or widely accessible to, the general public at large, including any sector thereof (other than small and exclusive groups).

1.2 The Company must have at least three (3) persons, who are not connected persons in relation to each other, to accept the fiduciary responsibility for the Company, and no single person may directly or indirectly control the decision-making powers relating to the Company.
1.3 The Company may not distribute any of its funds directly or indirectly to any person (otherwise than in the course of undertaking any Public Benefit Activity) and must utilise its funds solely for the Object for which the Company has been established.

1.4 If and when the Company is wound-up or dissolved in any manner provided for in this Memorandum of Incorporation, or as required by law, the net remaining assets of the Company, after all the obligations and commitments of the Company have been met, must be transferred to:
